

South Star Announces Closing of Final Tranche of Non-Brokered Private Placement of Shares

09.06.2026 | [GlobeNewswire](#)

VANCOUVER, June 09, 2026 - [South Star Battery Metals Corp.](#) ("South Star" or the "Company") (TSXV: STS) (OTCQB: STSBF) is pleased to announce that, further to its news releases dated May 6, 2026 and May 15, 2026, the Company has closed the second and final tranche of its previously announced non-brokered private placement of common shares (the "Share Offering"), issuing 16,587,667 common shares (the "Shares"), at a price of CAD \$0.15 per Share for gross proceeds of CAD \$2,488,000 (the "Final Tranche"). Including the first tranche which closed on May 15, 2026, the Company has raised total gross proceeds of CAD \$4,800,000 under the Share Offering.

The Shares issued under the Final Tranche are subject to a statutory hold period of four months and one day from the date of issuance in accordance with applicable securities laws. Net proceeds from the Share Offering will be used to support the continued scaling and advancement of the Company's operations, including the execution of capital expenditures associated with the planned expansion of the Santa Cruz graphite operation toward a production capacity of 10,000 tonnes per annum, as well as for corporate general and administrative expenses and general working capital purposes.

In connection with the Final Tranche, the Company paid aggregate finder's fees consisting of CAD \$182,981 in cash and 1,474,567 Shares issued at a deemed price of CAD \$0.15 per Share to A8 Capital Advisors Latin America Ltd.

Ace Global Special Opportunities BRL Fundo De Investimento Financeiro EM Acoes, a fund directed and controlled by Tiago Cunha, the Interim Chief Executive Officer, President and director of the Company, purchased 210,136 Shares in the Final tranche, resulting in Tiago Cunha having direction and control of 29.67% of the Company's issued and outstanding shares. Priscila Costa Lima, a director of the Company also purchased 200,000 Shares in the Final tranche, resulting in Priscila Costa Lima having direction and control of less than 1% of the Company's issued and outstanding shares. Such insider participation constitutes a "related party transaction" under Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("MI 61-101"). The Company is relying on exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 pursuant to sections 5.5(a) and 5.7(1)(a) thereof, as the fair market value of the Shares subscribed for does not exceed 25% of the Company's market capitalization.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

ABOUT SOUTH STAR BATTERY METALS CORP.

South Star is a Canadian battery metals project developer focused on the selective acquisition and development of near-term production projects in the Americas. South Star's Santa Cruz graphite project, located in southern Bahia, Brazil, is the first of a series of industrial and battery metals projects that is anticipated to be put into production. Brazil is the third largest graphite producing region in the world with more than 80 years of continuous graphite mining. With excellent infrastructure and logistics, Santa Cruz is slated to be the newest graphite producer in the Americas. South Star trades on the TSX Venture Exchange under the symbol STS, and on the OTCQB under the symbol STSBF. South Star is committed to a corporate culture, project execution plan and safe operations that embrace the highest standards of ESG principles, based on transparency, stakeholder engagement, ongoing education, and stewardship. CAUTIONARY STATEMENT

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this press release.

FORWARD-LOOKING INFORMATION

This press release contains "forward-looking statements" within the meaning of applicable securities legislation. Forward-looking statements relate to information that is based on assumptions of management, forecasts of future results, and estimates of amounts not yet determinable. Any statements that express predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance are not statements of historical fact and may be "forward-looking statements".

Forward-looking statements in this press release include, but are not limited to, the completion of the final tranche of the Share Offering, the anticipated gross proceeds and the use of proceeds therefrom, and the Company's overall strategy, plans, and future expectations.

Forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to differ from those reflected in the forward-looking statements, including, without limitation: risks related to failure to obtain adequate financing on a timely basis and on acceptable terms; risks related to the outcome of legal proceedings; political and regulatory risks associated with mining and exploration; risks related to the maintenance of stock exchange listings; risks related to environmental regulation and liability; the potential for delays in exploration or development activities or the completion of feasibility studies; the uncertainty of profitability; risks and uncertainties relating to the interpretation of drill results, the geology, grade and continuity of mineral deposits; risks related to the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses; results of prefeasibility and feasibility studies, and the possibility that future exploration, development or mining results will not be consistent with the Company's expectations; risks related to commodity price fluctuations; and other risks and uncertainties related to the Company's prospects, properties and business detailed elsewhere in the Company's disclosure record. Additional information on these and other risk factors can be found in the Company's continuous disclosure documents available under its profile on SEDAR+ at www.sedarplus.ca.

Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in forward-looking statements. Investors are cautioned against attributing undue certainty to forward-looking statements. These forward-looking statements are made as of the date hereof and the Company does not assume any obligation to update or revise them to reflect new events or circumstances. Actual events or results could differ materially from the Company's expectations or projections.
