

Another Leading Independent Proxy Advisory Firm Recommends G2 Goldfields' Shareholders Vote for the Arrangement With G Mining

09.06.2026 | [GlobeNewswire](#)

TORONTO, June 09, 2026 - [G2 Goldfields Inc.](#) ("G2" or the "Company") (TSX:GTWO; OTCQX:GUYGF) is pleased to announce that Glass Lewis & Co., LLC ("Glass Lewis"), a leading independent proxy advisory firm, has recommended that G2 shareholders vote "FOR" the plan of arrangement (the "Arrangement") with [G Mining Ventures Corp.](#) ("GMIN") to be approved at the upcoming special meeting of shareholders (the "Meeting") to be held on Tuesday June 16, 2026 at 10:00 a.m. (Toronto Time). As announced by the Company on June 4, 2026, Institutional Shareholder Services Inc. (ISS) has made the same recommendation.

Glass Lewis commented that "the proposed transaction is the result of a lengthy and robust strategic review process commenced in June 2023" and that "the implied value of the consideration represents a substantial premium over the Company's unaffected stock price and also represents a fifteen-year high for the Company's shares".

Board Recommendation

The board of directors of the Company (the "Board") unanimously recommends that the G2 shareholders vote FOR the Arrangement. The Board also unanimously recommends that the G2 shareholders vote FOR all resolutions pertaining to the spin-out of [G3 Goldfields Inc.](#)

YOUR VOTE IS IMPORTANT. CAST YOUR VOTE WELL IN ADVANCE OF THE PROXY VOTING DEADLINE.

G2 shareholders are encouraged to read the management information circular of the Company dated May 12, 2026 (the "Circular"), and vote your G2 shares as soon as possible, in accordance with the instructions accompanying the form of proxy or voting instruction form mailed to G2 shareholders together with the Circular.

The proxy voting deadline is 10:00 a.m. (Toronto time) on Friday, June 12, 2026.

About G2 Goldfields Inc.

G2 Goldfields finds and develops gold deposits in Guyana. The founders and principals of the Company have been directly responsible for the discovery of more than 11 million ounces of gold in the prolific and underexplored Guiana Shield. G2 continues this legacy of exploration excellence and success. Total

combined open pit and underground resources across all 5 discoveries to date include:

- 1,910,300 oz. Au - Inferred contained within 17,970,000 tonnes @ 3.31 g/t Au
- 1,620,600 oz. Au - Indicated contained within 15,571,000 tonnes @ 3.24 g/t Au

The mineral resource was prepared by Micon International Limited with an effective date of November 20, 2025. The Oko district has been a prolific alluvial goldfield since its initial discovery in the 1870s, and modern exploration techniques continue to reveal the considerable potential of the district.

Forward-Looking Statements

All statements, other than statements of historical fact, contained in this press release constitute "forward-looking information" and "forward-looking statements" within the meaning of certain securities laws and are based on expectations and projections as of the date of this press release. Forward-looking information and forward-looking statements may relate to G2, G3 and GMIN and their future outlook and that of their affiliates when applicable; and to anticipated events or results, notably the completion of the Arrangement, as contemplated; and may include statements regarding the financial position, budgets, operations, financial results, plans and objectives of G2, G3, GMIN or of their affiliates when applicable. Statements regarding future results, performance, achievements, prospects or opportunities of G2, G3, GMIN or of their affiliates, when applicable, and similar statements concerning anticipated future events, results, circumstances, performance or expectations, notably the Arrangement completion, as contemplated, are also forward-looking statements. Forward-looking statements contained in this press release include, without limitation, those related to: the timing of the Meeting; and the completion of the Arrangement on the proposed terms.

Forward-looking statements are based on expectations, estimates and projections as of the time of this press release. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by G2, as of the time of such statements, are inherently subject to significant business, economic and competitive uncertainties and contingencies. These estimates and assumptions may prove to be incorrect. Such assumptions include, without limitation, the receipt of required shareholder and regulatory approvals in connection with the Arrangement in a timely manner. Many of these uncertainties and contingencies can directly or indirectly affect, and could cause, actual results to differ materially from those expressed or implied in any forward-looking statements.

By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that estimates, forecasts, projections and other forward-looking statements will not be achieved or that assumptions do not reflect future experience. Forward-looking statements are provided for the purpose of providing information about management's expectations and plans relating to the future. Readers are cautioned not to place undue reliance on these forward-looking statements as a number of

important risk factors and future events could cause the actual outcomes to differ materially from the beliefs, plans, objectives, expectations, anticipations, estimates, assumptions and intentions expressed in such forward-looking statements. All of the forward-looking statements made in this press release are qualified by these cautionary statements and those made in GMIN's and G2's other filings with the securities regulators of Canada including, but not limited to, the Circular, the Company's annual information form for the year ended May 31, 2025, the Company's management's discussion and analysis for the financial year ended May 31, 2025 and for the three and nine months ended February 28, 2026. G2 cautions that the foregoing list of factors that may affect future results is not exhaustive, and new, unforeseeable risks may arise from time to time. G2 disclaims any intention or obligation to update or revise any forward-looking statements or to explain any material difference between subsequent actual events and such forward-looking statements, except to the extent required by applicable law.
