VANCOUVER, June 11, 2026 - [Coppernico Metals Inc.](#) (TSX: COPR, OTCQB: CPPMF, FSE: 9I3) ("Coppernico" or the "Company") is pleased to announce it has filed a listed issuer financing exemption ("LIFE") offering document (the "Offering Document") to enable it to offer, on a private placement basis, securities to raise gross proceeds of C\$5,000,000 representing 14,285,714 units of the Company (the "Units") at a price of C\$0.35 per Unit (the "Offering"). Each Unit will be comprised of one common share (a "Share") and one Share purchase warrant (a "Warrant") exercisable for 24 months from the closing date of the offering (the "Closing Date"), at an exercise price of C\$0.50 per Share.

The net proceeds from the Offering are intended to be used to advance drill permitting and additional community agreements to support future exploration activities at the Company's Sombrero Project, and for general corporate and working capital purposes, each as detailed in the Offering Document being concurrently filed at [www.sedarplus.ca](http://www.sedarplus.ca).

The Units will be offered for sale in each of the provinces of Canada (other than Quebec) pursuant to the LIFE Exemption under Part 5A of National Instrument 45-106 - Prospectus Exemptions, as amended by Coordinated Blanket Order 45-935 - Exemptions from Certain Conditions of the Listed Issuer Financing Exemption and in other jurisdictions where permitted by applicable law. The Company has filed the Form 45-106F19 Offering Document with the securities commissions or similar regulatory authorities in each of the relevant provinces. The Offering Document can be accessed under the issuer's profile at [www.sedarplus.ca](http://www.sedarplus.ca) and at [www.coppernicometals.com](http://www.coppernicometals.com). Prospective investors should read this Offering Document before making an investment decision.

As the Offering is being completed pursuant to the LIFE Exemption, the Units issued in the Offering will not be subject to a hold period in Canada pursuant to applicable Canadian securities laws.

The Closing Date is targeted for on or about June 26, 2026, with the closing being subject to customary closing conditions, including Toronto Stock Exchange ("TSX") approval for listing of the Unit Shares issued and issuable on exercise of any Unit Warrants. Although the Offering is not being exclusively brokered, the Company will pay a cash finder's fee to eligible persons and issue finder's warrants ("Compensation Warrants") to securities dealers and other eligible persons who refer participating investors to the Company, where permitted by applicable law and the TSX. Each Compensation Warrant will have the same terms as the Unit Warrants.

The securities have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any U.S. state securities laws, and may not be offered or sold in the United States without registration under the U.S. Securities Act and all applicable state securities laws or compliance with the requirements of an applicable exemption therefrom. This press release does not constitute an offer to sell or the solicitation of an offer to buy securities in the United States, nor may there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.
