Toronto, Canada - [Resouro Strategic Metals Inc.](#) (ASX:RAU) (CVE:RSM) (FRA:8TX) (OTCMKTS:RSGOF) announces that Philippe Martins has resigned as a Director of the Company.

Mr. Martins has served as a Director of the Company since February 2023, and has acted as legal counsel to the Company since its inception six years ago. He has been involved in all aspects of the early-stage development of the business. Mr. Martins operates his own legal practice and has decided to devote more time to his business. The Board considers this is an appropriate time for Mr. Martins to step down, following the recent successful publication of the Preliminary Economic Assessment ("PEA") for the Tiros Titanium and Rare Earth Elements Project and the announcement of the processing shared agreement with Future Mining at Novo Mundo Gold Project.

The Board would like to thank Mr. Martins for his outstanding contributions over the years and wish him every success in the future. The Board will be seeking a replacement in the coming months as it scopes out and builds the appropriate skill set for the delivery of the Preliminary Feasibility Study ("PFS") in 2027.

CEO Christopher Eager said, "It has been a pleasure working with Phillippe over the last six years, and he has made significant contributions to the success of the business, including, most recently, the publication of the PEA for the Tiros Project and the processing agreement with Future Mining for Novo Mundo. With these major developments complete, it is an appropriate time for him to move on."
