## Shares for Management Remuneration Owing, Directors' Fees and Third-party Invoices

Since September 2024 the Company has accrued management salaries in order to conserve capital while the company advanced the development of its Polish concessions. Management has agreed to settle the outstanding fees and be paid in shares. Furthermore, this aligns management with shareholders and demonstrates their commitment to company and to the long term value potential of Horizon and the development of the Lachowice gas field in Poland.

The Company will settle the outstanding and accrued management compensation in the amount of \$365,000, Directors' fees in the amount of \$100,000 in aggregate and third-party invoices owing in the amount of \$59,000 in aggregate, through the issuance of an aggregate of 2,994,286 Common Shares, at a price of \$0.175 per Common Share. The debt settlement is subject to disinterested shareholder approval to be sought at the shareholder meeting to be held on, or about, July 28, 2026.

The Common Shares will be subject to a four-month and one day hold period from the date of issuance in accordance with applicable securities laws. The transactions contemplated under the debt settlement agreements are subject to certain conditions including, but not limited to, the receipt of all necessary approvals, including that of the TSX Venture Exchange.

The participation of Directors and Officers in the Insider Debt Transaction constitutes "related party transactions" of the Company for purposes of Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The Company is relying on the exemptions from the formal valuation and minority approval requirements found in sections 5.7(1)(a) of MI 61-101, as the fair market value of Insider Debt Transaction (as it relates to the insiders' participation) is less than 25% of the Company's market capitalization.

## Approval Requirement

Following initial discussions with the TSX Venture Exchange, the Company has been advised that disinterested shareholder approval is required for the Insider Debt Transaction. As such, the Company intends to seek shareholder approval at a shareholder meeting to be held on, or about, July 28, 2026.
