

# Apollo Advisors Initiates Coverage of E-Power Resources Inc.

20:22 Uhr | [Newsfile](#)

Montreal, June 30, 2026 - [E-Power Resources Inc.](#) (CSE: EPR) (FSE: 8RO) ("E-Power" or the "Company") announces today that it has engaged Apollo Nora Advisors Ltd. ("Apollo Advisors") to provide research coverage on the global graphite industry and on E-Power's specific position within the sector.

Apollo Advisors' report details E-Power's key Quebec-based flagship Tetepisca Property - a high-grade graphite project in a constructive, resource-friendly jurisdiction. E-Power holds 12,665 hectares in the Tetepisca Graphite District, a world-class graphite corridor hosting significant resources at world-class grades.

With respect to Apollo Advisors, the engagement reflects independent analysis focusing on the company and including industry trends, market fundamentals, supply-demand dynamics, and corporate updates regarding E-Power's progress to date. This research is intended to support investor awareness and provide stakeholders with consistent, third-party insight into the graphite market and E-Power's best-in-class business model.

This research report will be published on E-Power's website, and those interested are also invited to reach out with any inquiries to Apollo Advisors at the contact listed below.

"As E-Power advances its graphite exploration programs, it is critical for investors and the market to review this reliable, third party research," said Jamie Lavigne, interim CEO of E-Power. "Apollo Advisors brings solid expertise researching the resource sector and this engagement brings clarity to E-Power's story."
