## Cautionary Notes

*Certain information set forth in this press release contains "forward-looking information" under applicable securities laws. Except for statements of historical fact, certain information contained herein constitutes forward-looking information which include management's assessment of Auryx Gold future plans and operations and are based on Auryx Gold current internal expectations, estimates, projections, assumptions and beliefs, which may prove to be incorrect. Some of the forward-looking information may be identified by words such as "expects" "anticipates", "believes", "projects", "plans", and similar expressions. These statements are not guarantees of future performance and undue reliance should not be placed on them. Such forward-looking information necessarily involve known and unknown risks and uncertainties, which may cause Auryx Gold actual performance and financial results in future periods to differ materially from any projections of future performance or results expressed or implied by such forward-looking information. These risks and uncertainties include, but are not limited to: successful completion of the proposed transactions referred to herein; the satisfaction of the Escrow Release Conditions; liabilities inherent in mine development and production; geological, mining and processing technical problems; Auryx Gold inability to obtain required mine licenses, mine permits and regulatory approvals required in connection with mining and mineral processing operations; competition for, among other things, capital, acquisitions of reserves, undeveloped lands and skilled personnel; incorrect assessments of the value of acquisitions; changes in commodity prices and exchange rates; currency and interest rate fluctuations; various events which could disrupt operations and/or the transportation of mineral products, including labour stoppages and severe weather conditions; the demand for and availability of rail, port and other transportation services; and management's ability to anticipate and manage the foregoing factors and risks. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Auryx Gold undertakes no obligation to update forward-looking information if circumstances or management's estimates or opinions should change except as required by applicable securities laws. The reader is cautioned not to place undue reliance on forward-looking information.*
