SERABI MINING plc
("Serabi" or "the Company")

update ON Possible MERGER DISCUSSIONS

On 4 March 2010 following activity in the Company's shares and movements in the Company's share price, the Board of Serabi announced that it was in preliminary discussions with a third party regarding a possible merger (the "Discussions"). As stated at that time, the Discussions were very preliminary in nature and there could be no certainty that the potential merger would ultimately proceed nor any offer be forthcoming. Serabi has now been notified by the third party that their Board has agreed that they are no longer considering a transaction that would or might result in that company making any form of offer to acquire the shares of Serabi. Accordingly, Serabi is no longer in an offer period pursuant to the Takeover Code.
