

Renaissance Gold Inc. Announces Listing on the TSX-V

02.11.2010 | [Marketwired](#)

Vancouver, Nov. 2, 2010 - [Renaissance Gold Inc.](#) ("Renaissance Gold") announces that the previously announced plan of arrangement involving Renaissance Gold, AuEx Ventures, Inc. and [Fronteer Gold Inc.](#) (the "Arrangement") was completed effective November 2, 2010. By virtue of the Arrangement, Renaissance Gold became a reporting issuer in Alberta, British Columbia and Ontario on November 2, 2010. Trading of Renaissance Gold's common shares is expected to commence on the TSX Venture Exchange on or about Thursday, November 4, 2010, under the symbol REN.

Renaissance Gold's material property for purposes of securities legislation is the Spruce Mountain Project, consisting of 180 unpatented lode mining claims located in Elko County, Nevada, covering a surface area of 1,512 hectares (3,720 acres). A technical report on the Spruce Mountain Project dated September 22, 2010, that was commissioned by and prepared for [AuEx Ventures, Inc.](#) and Renaissance Gold by Nancy J. Wolverson, Consulting Geologist, C.P.G. 11048, in compliance with National Instrument 43-101, has been electronically filed with regulators concurrent with the filing of this news release and is available for viewing through the Internet at the SEDAR website (www.sedar.com) under Renaissance Gold's Issuer Profile.

Eric M. Struhsacker, Certified Professional Geologist, is Renaissance Gold's designated Qualified Person for purposes of National instrument 43-101, who has read and taken responsibility for the portion of this news release dealing with the Spruce Mountain Project.

For further information with respect to the Arrangement, please refer to the joint news releases of AuEx Ventures, Inc. and Fronteer Gold Inc. dated August 30, 2010 and November 2, 2010, and the Information Circular of AuEx Ventures, Inc. dated September 28, 2010, which are available for viewing through the Internet at the SEDAR website (www.sedar.com) under AuEx Ventures, Inc.'s Issuer Profile. Appendix "F" to the Information Circular of AuEx Ventures, Inc. contains information relating to Renaissance Gold and its business and operations.

About Renaissance Gold Inc.

Renaissance Gold is a precious metals exploration company that has a current portfolio of 18 exploration projects in Nevada, one project in Utah, four projects in Argentina and one project in Spain. Renaissance Gold controls approximately 100,000 acres of unpatented claims and fee land in prospective areas of Nevada. Fifteen of the projects are in exploration earn-in or formal joint venture agreements with nine companies who provide exploration funding. Renaissance Gold applies the extensive exploration experience and high-end technical skills of its founders to search for and acquire new precious metal exploration projects that are then offered for joint venture. Renaissance Gold's common shares will be, effective November 4, 2010, traded on the TSX Venture Exchange under the symbol REN.

President and CEO

This news release contains certain statements that may be deemed "forward-looking" statements. Forward looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although Renaissance Gold believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. Forward looking statements are based on the beliefs, estimates and opinions of Renaissance Gold's management on the date the statements are made. Except as required by law, Renaissance Gold undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.
