About Pacific North West Capital Corp.:

Pacific North West Capital Corp. (TSX:PFN) (OTCQX:PAWEF) (Frankfurt: P7J.F) is a mineral exploration company focused on the exploration and development of one of Canada's largest primary Platinum Group Metals (PGM) deposits, the River Valley PGM Project located in the Sudbury region of Ontario. In addition, the Company has an active gold exploration program near Val d'Or, Québec, one of the world's most famous gold and base metal producing regions. The Company is also advancing a polymetallic project in the Iskut River region of British Columbia. Pacific North West Capital Corp. is also a significant shareholder of Fire River Gold Corp (FAU:TSX.V) who is developing the Nixon Fork Gold Mine in Alaska, which is slated to commence production in summer 2011.

Pacific North West Capital Corp. is well funded and plans to use management's technical, financing and negotiating skills to acquire additional platinum group metals, base metals and precious metals projects on an international scale.

Pacific North West Capital Corp. is a member of the International Metals Group
